Define position
opposed to constitution
unnecessary, unwanted &
undemocratic. opposed to
Charter of rights - removes
ones we had
now a reality -
what is the reality -
facts - not by the people
at all - luck & manipulation
not even a working majority
have a constitution the
people do not want -
makes for poor government

Cant want it
properly right; court
rights imprisonment

West cant want it as
now are useless + without
provincial representation
or protection at all

Will be exploited

You as farmers particularly
vulnerable: - land +
produce raw material +
dependant on ALL equipment
+ all transportation on
federal govt. ruled by
Ontarios $8\frac{1}{2}$ million people.

Will learn from
the manipulation by which
we lost our rights.

The lies by which Trudeau
got NDP support to defeat
Clark - lies by which he got
Ont & Quebec support. The
villainy of passing a
constitution concealed from
people.

One outstanding thing for
Canadians was ~~could~~ decision
- thrown away by our premiers
why - Trudeau prepared
intimidation.

(1) ~~Ed~~ removed restrictions
oil companies, press & got

a police dept - ~~new~~ gun

Other way - order in Council
of June 10th - can & will
seize property on ridiculous
grounds.

lube - seemed to give
in - threw the Zuelke &
Indians out - (people they
didn't care about).

Now where are we.

In West - defenceless.

economic gains seriously
ruined - oil companies
hundreds - money sent
to Zuelke & the fact our
citizens are bound
- an out? back to

square one - independent
- formed 2 western
provinces who would
fight for our rights.

Only action we can
take & continue to vote
Against either Liberal
or N. D. P. who forced this
on us.

grow in political
awareness & concern
- politics was a
